Acute Care NPs

Emergency NPs

Family NPs

Adult NPs

CNSs and
Other APNs

National Conference for Nurse Practitioners in Acute Care

Swissotel Chicago
Chicago, IL

March 20-24, 2024

Pre-Conferences & Advanced Procedures Workshops: March 20-21, 2024

Main Conference: March 21-24, 2024

Exhibits: March 21-23, 2024

Conference Chair:

Thomas W. Barkley, Jr., PhD, ACNP-BC, ANP, FAANP
President, Barkley & Associates, Inc.

Barkley@NPcourses.com

www.NPcourses.com/npac2024

Reasons Not to Miss NPAC 2024!

- ✓ Attend the largest national conference specifically for nurse practitioners and advanced practice nurses working in acute care
- ✓ Update yourself on the latest evidence-based practice guidelines, recent issues, and trends
- ✓ Maximize advanced pharmacology contact hours required for national recertification
- ✓ Refine and perfect advanced invasive procedures skills to enhance your practice
- ✓ Network with hundreds of NPs working in acute care throughout the country
- ✓ See all of the latest technologies, pharmaceuticals, medical devices, career opportunities, and other products in today's market with our exhibitors
- ✓ Barkley & Associates, Inc. is approved as a provider of nurse practitioner continuing education by the American Association of Nurse Practitioners. AANP Provider Number 080518. This activity has been approved for up to **21.75** contact hours of continuing education (which includes **13.25 hours of pharmacology** and **2.75 hours of advanced procedures**).

Conference Location

Swissotel Chicago

323 East Upper Wacker Drive
Chicago, IL 60601

Relax in your luxury room at the Swissotel Chicago and attend conveniently located sessions at your leisure. Take advantage of our special discounted hotel rate; rooms are limited!

Individuals are responsible for making their own hotel arrangements. **Reservations can be made directly with Swissotel Chicago at (888) 737-9477. Ask for the "Barkley & Associates Block Rate." Rates are as low as \$229 per night!**

If the block rate is no longer available, member rates may be offered for some or all of your dates through Accor's ALL loyalty program or other travel agencies, such as Costco Travel.

Registration Fees

EARLY BIRD \$599 register by September 10, 2023
STANDARD \$639 register by November 10, 2023
REGULAR \$679 register by February 9, 2024
FINAL \$719 register by February 28, 2024
LAST MINUTE \$759 register after February 28, 2024
Student/New Graduate (2023 & 2024)/ Retired Nurse Practitioner Fees:
STANDARD \$499 register by February 9, 2024
LAST MINUTE \$599 register after February 9, 2024

Important Dates

Early Bird Registration	Ends September 10, 2023
Standard Registration	Ends November 10, 2023
Regular Registration	Ends February 9, 2024
No Refund Period	After February 20, 2024
Final Registration	Ends February 28, 2024
Last Minute Registration	After February 28, 2024
First Day of Pre-Conferences	March 20, 2024
First Day of NPAC	March 21, 2024

TABLE OF CONTENTS

Page	Topic
2	Reasons Not to Miss, Conference Location, Registration Fees, Important Dates

10	Faculty

Registration Information

Simply go to www.NPcourses.com/NPAC2024 to register. Registration must be completed online. If you do not receive an email receipt within 2 business days, please email Barkley@NPcourses.com.

Purchase Order

If your employer or sponsoring organization is paying for Conference Registration, and it is not possible to either use a corporate credit card or make arrangements for reimbursement, a purchase order can be submitted via email to NPAC@NPcourses.com. Complete your registration process as normal and choose the "Purchase Order" option at the end of checkout.

Barkley & Associates will contact the person listed on the purchase order and send an invoice. Only verified purchase orders from hospitals, medical centers, or healthcare organizations will be honored. The purchase order must be received no later than 10 business days after the date of pending registration. The registration price may only be honored at the time the purchase order is received.

Advanced Procedures Workshops

Due to high demand and the need to reserve seats to maintain small groups, no refunds are allowed once registered for an APW, regardless of the reason. In addition, no refunds will be given to registrants who do not attend their scheduled workshop, regardless of the reason. The fee for transferring any APW to another attendee is \$60.

Registration Transfer

A transfer fee of \$100 will apply for transfers from one person to another for main conference registration. Prices are subject to change without notice.

Pre-Conferences

Due to high demand, no refunds are allowed once registered for a Pre-Conference, regardless of the reason. In addition, no refunds will be given to registrants who do not attend their scheduled workshop, regardless of the reason. Fee for transferring each Pre-Conference is \$60.

General Information

Contact Hours/Pharmacology

This conference is approved for up to **21.75** contact hours of continuing education (which includes **13.25** hours of pharmacology and **2.75** hours of advanced procedures). This activity has been planned and implemented in accordance with the accreditation Standards of the American Association of Nurse Practitioners (AANP).

Barkley & Associates is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 080518

Provider approved by the California Board of Registered Nursing, Provider Number CEP 15436

All NP state regulatory agencies (i.e., State Boards of Nursing) and all national certifying bodies (e.g., ANCC, AANP, AACN, PNCB, and NCC) recognize and accept AANP CE credit for recertification.

Cancellation Policy & Fees

All NPAC Conference cancellations must be submitted in writing to Barkley & Associates, Inc. at Barkley@NPcourses.com.

Before October 20, 2023: **\$150 administrative fee**
Between October 20, 2023, and February 20, 2024:

\$250 administrative fee

After February 20, 2024: **No refunds (regardless of reason)**

*Conference prices are subject to change without notice.

*Attendees are strongly encouraged to consider trip insurance.

While we do not endorse any particular company, travel insurance is extremely affordable! This is an example of Travel Guard insurance rates for three locations around the country if you purchased NPAC registration at Regular Price, 4 nights in the venue hotel (\$268.84/night, including tax), and \$500 in airfare (6/14/23):

	NPAC*(\$679)	NPAC + HOTEL (\$1,754.36)	NPAC + HOTEL + AIRFARE (\$2,254.36)
California	\$50.42	\$120.42	\$147.64
New York	\$35.66	\$70.83	\$87.58
Florida	\$20.25	\$41.73	\$51.91

Force Majeure

In the unlikely event that Barkley & Associates, Inc. has to cancel the conference for reasons beyond their control, including but not limited to acts of God or nature, strikes, war, terrorist acts, hotel labor disputes, disease (e.g., epidemics, pandemics), civil disturbances, travel advisories, or other government restrictions, the liability of Barkley & Associates, Inc. shall be limited to a refund of the attendee's course registration fee.

Conference Handouts

All attendees will have access to a PDF of the conference manual, including all General Session PowerPoints, in the **NPcourses.com** customer portal 1 week prior to the conference. Please download the manual prior to arriving at the conference.

For your convenience, you can reserve a printed and bound conference manual for \$50. The manual, which will feature all of the PowerPoints for all General Sessions, will be available for pickup at the conference.

Exhibits

Participate in the Exhibitor Scavenger Hunt by visiting all of the exhibit booths to qualify for a chance to win a free 2026 NPAC registration!

Advanced Procedures Workshops (APWs)

Using state-of-the-art mannequins, ultrasounds, and other equipment, these popular workshops are specifically designed as 100% hands-on, small-group experiences with expert faculty. To obtain procedural CE, and to maximize a fully hands-on experience, these workshops require attendees to review approximately 1 hour of material prior to the session. Assignments will be located in each customer’s Barkley & Associates’ portal approximately 4 weeks prior to the conference.

In addition to meeting ANCC, AACN, and AANPCB recertification CE credit, all Advanced Procedures Workshops are approved to meet the AANPCB requirement of 30 hours in emergency care procedural skills to be eligible to sit for national ENP certification.

Do not miss this opportunity to:

- Perfect Advanced Procedural skills that enhance your practice
- Get hands-on attention from expert faculty in workshops limited to 8 to 10 attendees
- Earn up to a maximum of 12 contact hours of CE, which includes 12 contact hours of Advanced Procedures

Wednesday, March 20 - Thursday, March 21, 2024

Advanced Procedures Workshop A:
Landmark & Ultrasound-Guided Central Line Placement & Vascular Access
(Landmark & Ultrasound-Guided EJ, IJ, Subclavian, Femoral Sites, & Intraosseous Line Placement)

Nichole Crenshaw, DNP, AGACNP-BC, ANP-BC, CHSE, FAANP
Rita Dello Stritto, PhD, CNS, ENP, ACNP-BC, FAANP

APW A1, A2, A3, A4, A5, A6
(Limited to ≈ 8 seats in each of two groups; **3 contact hours, which includes 3 hours of advanced procedures**)

Advanced Procedures Workshop B:
Difficult Airway Management
(Adjunct Airways [nasal trumpet, oral airway, LMA], Endotracheal Intubation, Use of Bougie, King Airway Tube Placement, Cricothyrotomy, & other strategies)

Steven W. Branham, PhD, ACNP-BC, FNP-BC, FAANP

APW B1, B2, B3, B4, B5, B6
(Limited to ≈ 10 seats; **3 contact hours, which includes 3 hours of advanced procedures**)

Advanced Procedures Workshop C:
Landmark & Ultrasound-Guided Thoracentesis, Needle Decompression, & Chest Tube Insertion

Richard McLaughlin, DNP, AGACNP-BC, FAANP

APW C1, C2, C3, C4, C5, C6
(Limited to ≈ 10 seats; **3 contact hours, which includes 3 hours of advanced procedures**)

Advanced Procedures Workshop D:
Landmark & Ultrasound-Guided Lumbar Puncture, Paracentesis, & Extended Focused Assessment with Sonography in Trauma (EFAST) Exam

Juan M. Gonzalez, DNP, APRN, AGACNP-BC, ENP-C, FNP-BC, CEN, CNE, FAANP

APW D1, D2, D3, D4, D5, D6
(Limited to ≈ 10 seats; **3 contact hours, which includes 3 hours of advanced procedures**)

*Schedule available on www.NPCourses.com/NPAC2024/advanced-procedures-workshops/

Due to high demand and the need to reserve seats to maintain small groups, no refunds are allowed once registered for an APW, regardless of the reason. In addition, no refunds will be given to registrants who do not attend their scheduled workshop, regardless of the reason.

Barkley & Associates reserves the right to reassign attendees to a different Advanced Procedures Workshop time, if needed, to ensure optimal group learning and appropriate faculty-to-student ratios. In this case, attendees will be notified in advance of alternatives.

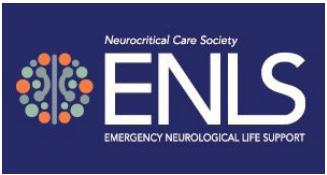

The fee for transferring any APW to another attendee is \$60.

Pre-Conferences

These amazing Pre-Conference sessions focus on advanced assessment, diagnostic testing, and clinical management. Gain confidence in providing crucial emergency care through the Emergency Neurological Life Support® (ENLS) Course. To fit varying levels of experience, Introductory and Advanced Workshops are offered for 12-lead EKG and Imaging and Radiology. The Cardiac Valvular Disease Workshop and the Mechanical Ventilation Boot Camp are great opportunities to deepen and sharpen knowledge. Finally, the Advanced Suturing workshop is an excellent opportunity to extend and enhance hands-on skills.

Wednesday, March 20, 2024

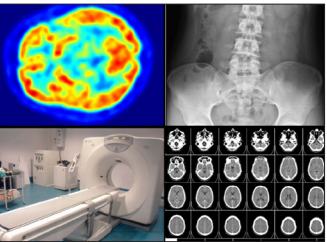

Seats are limited;
8 contact hours, which includes 2.5 hours of pharmacology

Pre-Conference 1:
The Emergency Neurological Life Support® (ENLS) Course

Susan Yeager, DNP, ACNP-BC, CCRN, FNCS
Sarah L. Livesay, DNP, APRN, ACNP-BC, ACNS-BC, FNCS, FAAN

Part I: Wednesday, March 20, 2024: 12:30 p.m. - 5:00 p.m.
Part II: Thursday, March 21, 2024: 7:30 a.m. - 12:00 p.m.

The Emergency Neurological Life Support® (ENLS) Course is an educational program designed to help healthcare professionals improve patient care and outcomes during the critical first hours of a patient’s neurological emergency. ENLS® demonstrates a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during patient management. This ENLS® course is an instructor-led training session that offers a robust introduction to each course topic through instructor-led classroom training. If attendees wish, this CE credit can be used as part of the requirement to obtain ENLS® certification.

Seats are limited;
3 contact hours, which includes 0.25 hours of pharmacology and 3 hours of advanced procedures

Pre-Conference 2:
ADVANCED Imaging and Radiology Workshop: CTs, MRIs, PET, and More!

Kyle Nauert, DNP, FNP-C, AGACNP-BC
Katherine W. Rogers, DNP, ANP-C, AGACNP-BC

12:30 p.m. - 4:00 p.m.

Knowing the difference between various radiology techniques and protocols is vital knowledge for all nurse practitioners (NPs). Beyond an understanding of basic X-ray interpretation, ADVANCED imaging and radiology provide a mechanism to more effectively diagnose complex patient conditions. This presentation will explore appropriate imaging technologies for NPs to consider when evaluating patients with both common and uncommon complaints. Case studies will be used to illustrate the latest evidence-based practices in ADVANCED patient imaging.

Seats are limited;
3 contact hours, which includes 0.5 hours of pharmacology and 3 hours of advanced procedures

Pre-Conference 3:
12-Lead EKG: From Start to Competent in 3 Hours!

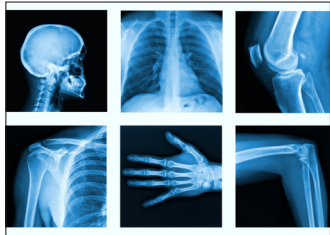

Kathy Magdic, DNP, ACNP-BC, FAANP

12:30 p.m. - 4:00 p.m.

This presentation is designed to increase the confidence and clinical proficiency of NPs at all levels of experience with 12-lead EKG interpretation. After reviewing foundational principles, a variety of 12-lead EKG patterns will be explored, including inferior, septal, anterior, lateral, and posterior infarctions. Right ventricular infarction patterns and associations with inferior and posterior infarctions will be emphasized.

The session will review the criteria for identifying reciprocal changes, left and right ventricular hypertrophy, strain, and left and right bundle branch blocks. In the end, the participant should feel certain that they’ve gone from “I’m never quite sure” to “I’ve got it!”

Thursday, March 21, 2024

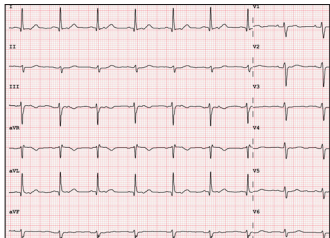

Seats are limited;
3 contact hours, which includes
0.25 hours of pharmacology and
3 hours of advanced procedures

Pre-Conference 4:
Radiology Review: From the Beginning Novice to Expert in 3 Hours!

Kyle Nauert, DNP, FNP-C, AGACNP-BC
Katherine W. Rogers, DNP, ANP-C, AGACNP-BC

7:30 a.m. - 11:00 a.m.

Being able to review an X-ray is an important role for the nurse practitioner, yet many do not have a firm understanding of the basics in imaging interpretation. This session will take participants from the very basics of understanding the shades between black and white on an X-ray, to the more advanced techniques of identifying pneumonia, heart failure, cardiomegaly, pleural effusions, bowel obstructions, spinal injuries, Salter-Harris fractures, and much more. Within 3 hours, you will go from the beginning novice to expert in X-ray interpretation in the acute care setting!

Seats are limited;
3 contact hours, which includes
0.5 hours of pharmacology and
3 hours of advanced procedures

Pre-Conference 5:
ADVANCED 12-Lead EKG Workshop

Kathy Magdic, DNP, ACNP-BC, FAANP

7:30 a.m. - 11:00 a.m.

So you're comfortable with the foundational principles of 12-Lead EKG interpretation. What are some of the more nuanced interpretive standards to utilize while you implement this key assessment tool? When should you worry?

This ADVANCED 12-Lead EKG interpretation workshop will begin with a discussion of AV blocks, focusing on the guidelines that differentiate a Mobitz I second-degree AV block from a Mobitz II second-degree AV block. Key information about third-degree heart blocks, right and left bundle branch blocks, and hemiblocks will also be presented. In addition, we will focus on the salient features, causes, and management strategies of complex dysrhythmias. Other topics include complex tachycardias (e.g., Wolff-Parkinson-White syndrome and Long-Ganong-Levine syndrome) and the differentiation between sinus arrests and sinus blocks. Join us for an informative and detailed workshop that will strengthen your ability and confidence with the 12-Lead EKG.

Seats are limited;
3 contact hours, which includes
1 hour of pharmacology and
1 hour of advanced procedures

Pre-Conference 6:
Cardiac Valvular Disease Workshop

Kristine Anne Scordo, PhD, APRN, ACNP-BC, FAANP

12:30 p.m. - 4:00 p.m.

With the dramatic aging of the American population over the past several decades, degenerative lesions of the mitral and aortic valves that result in mitral regurgitation, aortic stenosis, or aortic regurgitation are now the most prevalent valvular disorders that require intervention. This workshop will better prepare nurse practitioners to diagnose and treat patients with valvular heart disease, which remains a common cause of morbidity and mortality. The session focuses on the latest practice guidelines, along with advanced cardiac assessment, echocardiographic, and other diagnostics to improve patient management. Mitral valve prolapse syndrome (a common valvular disorder) and the differentiation of acute versus chronic mitral regurgitation are also discussed.

Seats are limited;
3 contact hours, which includes
0.5 hours of pharmacology and
3 hours of advanced procedures

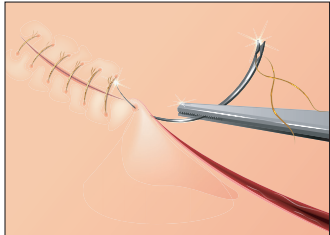

Pre-Conference 7:
Mechanical Ventilation Boot Camp

James M. Walter, MD
Thomas C. Corbridge, MD, FCCP

12:30 p.m. - 4:00 p.m.

The mechanical ventilator is the leading support device in critical care; it supports gas exchange, decreases the work of breathing, and is an integral part of shock management. This comprehensive boot camp targets both entry-level and intermediate practitioners responsible for the care of mechanically ventilated patients. The session provides rationales for initial ventilator settings and adjustments based on blood gases, synchrony, and waveform analysis. By the end of this boot camp, nurse practitioners in acute care will have a better understanding of the interplay between the patient and the machine to optimize benefit and mitigate risk to their patients.

Thursday, March 21, 2024

Seats are limited;
3 contact hours, which includes
0.25 hours of pharmacology and
3 hours of advanced procedures

Pre-Conference 8:
ADVANCED Suturing: Beyond the Basics

Rita Dello Stritto, PhD, CNS, ENP, ACNP-BC, FAANP
Steven W. Branham, PhD, ACNP-BC, FNP-BC, FAANP

12:30 p.m. - 4:00 p.m.

Beyond the basics of suturing, this dynamic ADVANCED session will cover multilayer closure, vertical and horizontal mattress, stellate lac repair, Aberdeen knot, running simple suture, subcuticular running suture, chest tube suture technique, figure 8, and others as time permits. This preconference builds on previous knowledge and experiences of beginning suturing to provide attendees with the most progressive techniques and skills for their practice.

Thursday, March 21, 2024

Keynote & Welcome Reception

Exploring the Current State of NP Practice in Acute Care

4:30 p.m. - 4:50 p.m.

Thomas W. Barkley, Jr., PhD, ACNP-BC, ANP, FAANP

NPAC Conference Chair
and
President, Barkley & Associates, Inc.
(0.33 contact hours)

Opening Keynote Address

Listen, Learn, Lead!

4:50 p.m. - 6:00 p.m.

Susan Corbridge, PhD, APRN, ACNP-BC, FAANP, FCCP, FAAN

Chief Essentials Program Officer,
American Association of Colleges of Nursing
(1.17 contact hours, which includes 0.25 hours of pharmacology)

Welcome Reception and Grand Opening of Exhibits

6:00 p.m. - 8:00 p.m.

Friday, March 22, 2024

6:00 a.m.	Conference Registration Open
6:30 a.m. – 7:30 a.m.	Continental Breakfast with Exhibitors: Refereed Poster Session 1
7:30 a.m. – 8:45 a.m.	Acute Care Infectious Diseases Update 2024 <i>Thomas W. Barkley, Jr., PhD, ACNP-BC, ANP, FAANP</i> 1.25 contact hours (which includes 0.75 hours of pharmacology)
8:45 a.m. – 10:00 a.m.	Turning Heart Failure into Heart Success: The Importance of Medication Optimization <i>Jennifer Kliner, MSN, ACNP-BC</i> 1.25 contact hours (which includes 1.0 hour of pharmacology)
10:00 a.m. – 10:30 a.m.	Break Exhibits: Refereed Poster Session 1 (continued)
10:30 a.m. – 11:45 a.m.	Hot Topics in Pulmonology: Update on Sepsis and Ventilatory Management <i>Robert A. Balk, MD, MACN, MCCM, FCCP</i> 1.25 contact hours (which includes 0.75 hours of pharmacology)
11:45 a.m. – 1:00 p.m.	Lunch on Own
1:00 p.m. – 2:15 p.m.	What's Moving and Shaking in Neurocritical Care? <i>Susan Yeager, DNP, ACNP-BC, CCRN, FNCS</i> 1.25 contact hours (which includes 0.75 hours of pharmacology and 0.5 hours of advanced procedures)
2:15 p.m. – 2:45 p.m.	Break Exhibits: Refereed Poster Session 1 (continued)
2:45 p.m. – 4:00 p.m.	Challenging Cases in Trauma <i>Reasheal Watts, MSN, AGACNP-BC</i> <i>Atefeh Djavid, MSN, AGACNP-BC</i> <i>Jessica Kim, DNP, AGACNP-BC</i> 1.25 contact hours (which includes 0.75 hours of pharmacology)
4:00 p.m. – 5:15 p.m.	A Case-Based Approach to Nutritional Support in the Acutely Ill <i>Daria Ruffolo, DNP, ACNP-BC, CCRN</i> 1.25 contact hours (which includes 1.25 hours of pharmacology and 0.5 hours of advanced procedures)
5:15 p.m.	Adjourn

Saturday, March 23, 2024

6:00 a.m.	Conference Registration Open
6:30 a.m. – 7:30 a.m.	Continental Breakfast with Exhibitors: Refereed Poster Session 2
7:30 a.m. – 8:45 a.m.	Emergencies in the Oncology Patient: What NOT to Miss! <i>Eric Zack, DNP, ACNP-BC, AOCN, BMTCN</i> 1.25 contact hours (which includes 0.75 hours of pharmacology)
8:45 a.m. – 10:00 a.m.	Advanced Practice Scope of Practice: Are You Compliant? <i>Ruth Kleinpell, PhD, ACNP-BC, FAAN, FAANP, FNAP, MCCM</i> 1.25 contact hours (which includes 0.25 hours of pharmacology)
10:00 a.m. – 10:30 a.m.	Break Exhibits: Refereed Poster Session 2 (continued)
10:30 a.m. – 11:45 a.m.	Update on Trauma Resuscitation: Damage Control Care and Indications for Transfusion Therapy <i>Daria Ruffolo, DNP, ACNP-BC, CCRN</i> 1.25 contact hours (which includes 0.75 hours of pharmacology and 0.25 hours of advanced procedures)
11:45 a.m. – 1:00 p.m.	Lunch on Own
1:00 p.m. – 2:15 p.m.	'Liver Let Die': The Rapid Escalation of Liver Failure <i>Lynn Kelso, DNP, ACNP-BC, FCCM, FAANP</i> 1.25 contact hours (which includes 0.5 hours of pharmacology)

Saturday, March 23, 2024 continued

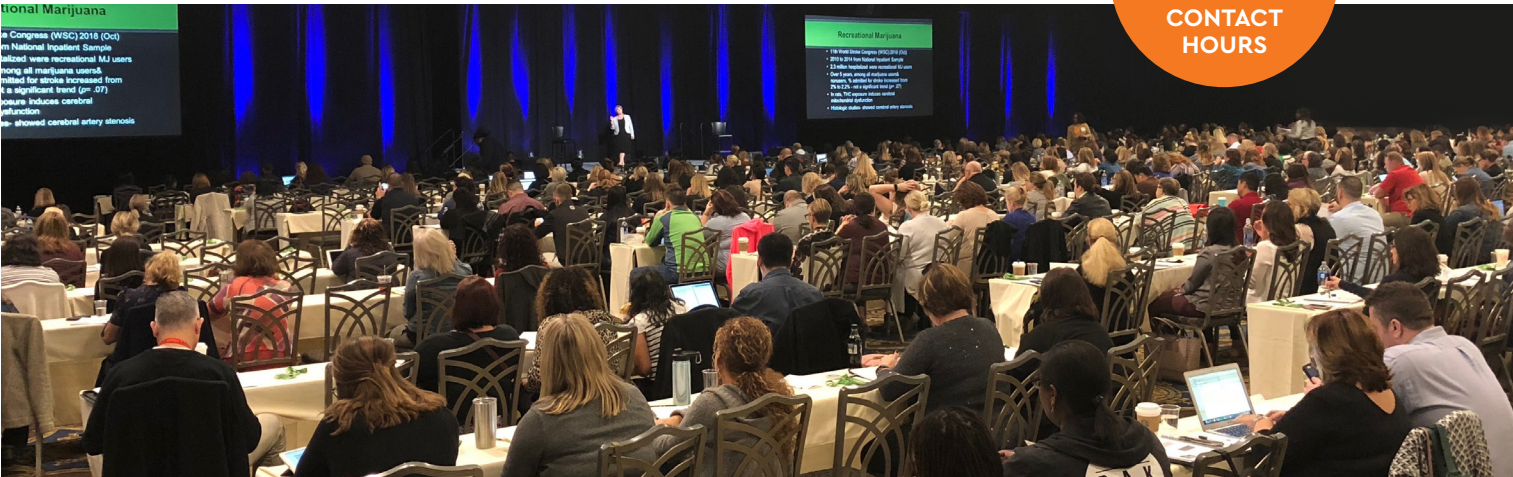

2:15 p.m. – 2:45 p.m.	Break Exhibits: Refereed Poster Session 2 (continued)
2:45 p.m. – 4:00 p.m.	The Latest in Nephrology: From AKI to What's Next <i>Jeffrey J. Kaufhold, MD, FACP, HEC-C</i> 1.25 contact hours (which includes 0.75 hours of pharmacology)
4:00 p.m. – 5:15 p.m.	Toxicology Tales and Nightmares <i>Nancy Denke, DNP, ACNP-BC, FNP-BC, FAEN</i> 1.25 contact hours (which includes 1.25 hours of pharmacology)
5:15 p.m.	Adjourn

Sunday, March 24, 2024

6:00 a.m.	Conference Registration Open
6:30 a.m. – 7:30 a.m.	Continental Breakfast
7:30 a.m. – 8:45 a.m.	Acute Respiratory Failure, ARDS, a Bit of COVID-19, and Others <i>David P. Gurka, PhD, MD</i> 1.25 contact hours (which includes 0.75 hours of pharmacology and 0.5 hours of advanced procedures)
8:45 a.m. – 9:45 a.m.	Acute Care Pharmacology Update 1 <i>Lawrence Carey, Pharm D</i> <i>Elizabeth VandeWaa, PhD</i> 1 contact hour (which includes 1 hour of pharmacology)
9:45 a.m. – 10:00 a.m.	Break
10:00 a.m. – 11:15 a.m.	Acute Care Pharmacology Update 2 <i>Lawrence Carey, Pharm D</i> <i>Elizabeth VandeWaa, PhD</i> 1.25 contact hours (which includes 1.25 hours of pharmacology)
11:15 a.m. – 11:45 a.m.	What Else Is New or News in Acute Care Pharmacology 2024? <i>Lawrence Carey, Pharm D</i> <i>Elizabeth VandeWaa, PhD</i> 0.5 contact hours (which includes 0.5 hours of pharmacology)
11:45 a.m. – 12:00 p.m.	Conference Summary and Future Directives <i>Thomas W. Barkley, Jr., PhD, ACNP-BC, ANP, FAANP</i> 0.25 contact hours
12:00 p.m.	Adjourn
