Diagnostic Readiness Tests (DRTs)

FREE DRT
for SECOND-Year
NP Students!

The *Evidence-Based* Way
to Prepare for National Certification

- ➔ DRTs are **100-question online NP exams**, complete with detailed rationales and illustrative graphs.
- ➔ DRTs help your students **pinpoint areas of strength and weakness and remediate accordingly** to prepare for the Certified Family Nurse Practitioner exam.
- ➔ After administering the Pre-Test, score reports can be used to develop **individualized remediation plans** for each student, giving students time to prepare for the Post-Test and later certification exam.
- ➔ DRT faculty score reports provide you with **individual and aggregate data**, while comparing your class scores against the current national average!

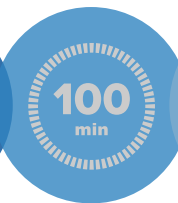

*Schedule your **FREE** DRTs for your students today!*

3 Ps Assessment Tests

**FREE 3 Ps
ASSESSMENT TEST**
for FIRST-Year NP Students!

The *Evidence-Based* Way to Identify and Assess Students Most at Risk

- ➔ 3 Ps are **100-question online NP exams**, complete with detailed rationales and illustrative graphs.
- ➔ 3 Ps help your students **pinpoint areas of strength and weakness and remediate accordingly** to prepare for any of the national NP certification exams.
- ➔ A great way to assess your program's 3 Ps content and **focus on NP core competencies**

The following **FREE**
3 Ps Assessment Tests
are available:

- ✓ **3 Ps Comprehensive**
- ✓ **Advanced Pharmacology**
- ✓ **Advanced Pathophysiology**
- ✓ **Advanced Physical Assessment**

Barkley's Curriculum Review for Family Nurse Practitioners

Coming Soon!

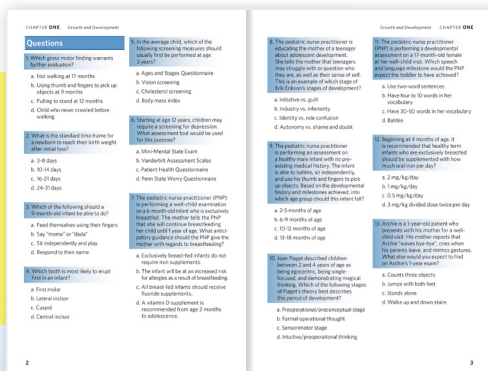

Barkley's Curriculum Review for Family Nurse Practitioners
2nd Edition

(2nd Edition)

The Leading Resource for all FNPs

- Over 700 practice questions covering diagnosis laboratory/diagnostics, assessment, pharmacology, management/treatment, and professional practice
- Extensive rationales help to provide remediation
- Quick Review Tables present the most pertinent material in an easy-to-read format
- Chapters organized by ages and body systems for easy reference when treating patients

An invaluable resource to our Live Review Courses and Home Study Courses to help students master FNP material and excel on the national certification exam!

Premier In-Person and Live Webinar Certification Review/ Clinical Update Courses

There's nothing like our unparalleled In-Person Live Courses and Live Webinars!

With over 23 years of success, Barkley & Associates, Inc., knows that the most effective way to prepare for national certification is to attend a Live Certification Review/Clinical Update Course! Our courses are renowned for assisting students in organizing a large body of information while helping them identify areas of weakness.

Course Features:

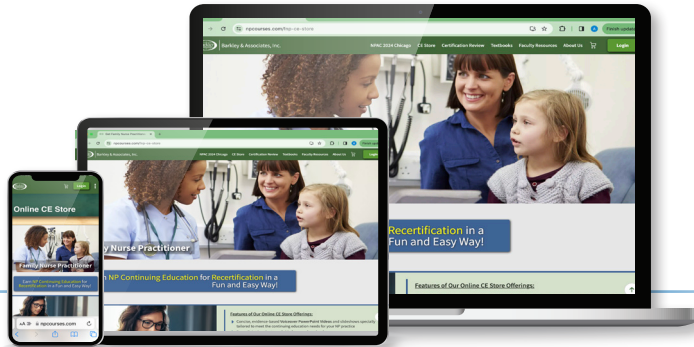

- ✓ **Designed with students in mind.** Our courses serve as an intensive and immersive experience that allows students to identify which areas they may need to strengthen.
- ✓ **Outstanding** nationally certified **NP faculty**
- ✓ The **most current, comprehensive, evidence-based curriculum** to prepare for national certification and future practice
- ✓ **Exclusive practice questions—not found anywhere else**—incorporated in each chapter using our popular interactive **Audience Response System**
- ✓ Live Webinars presented over Zoom including **real-time Q&A**
- ✓ Barkley and Associates is proud to have prepared more than **100,000 NPs for certification success!**

**No matter
your budget,
we have a plan
that is right for you!**

Offering three tiers:

- 1 Essential**
- 2 Premium**
- 3 Ultimate**

Multimedia Module Packages (MMPs) for FNP

How do MMPs benefit faculty?

- ➔ The MMPs are a complete Online Certification Review/Clinical Update Course which consist of video-based voice-over PowerPoint presentations. MMPs are a wonderful way to reinforce your curriculum as a culminating experience while tracking students during their final semester of study.
- ➔ The MMP includes an extensive course manual, course audio recording and videos, 5-question quizzes after each chapter, and a 100-item Pre-Test/Post-Test.
 - Compare your students' scores to the current national average of other FNP programs.
- ➔ **Assign** the video chapters (complete with mini-quizzes) weekly or as you wish to fit your course syllabus.
- ➔ **Track** your students' progress and comprehension of each system and topic, chapter by chapter.

Online 45-Hour Advanced Pharmacology Course

Guaranteed to ease your job as faculty!

- ✓ Designed to meet the advanced pharmacology requirement for all NP students
- ✓ Cost-effective, flexible, and user-friendly!
- ✓ Pharmacology modules are accessible until students graduate!

Video-Based
Modules

Full
Handouts

Three
50-Item
Exams

Use our comprehensive pharmacology modules in any of the following ways:

- ➔ To **fulfill** your school's advanced pharmacology requirement
- ➔ To **support** your program's current advanced pharmacology course (assign modules to coincide with your current lectures)
- ➔ To **enhance** your second-year course work (implement modules, chapter by chapter, to reinforce pharmacology content such as requiring the cardiovascular pharmacology module to be reviewed with second-year cardiovascular course content)

Set up the 45-Hour Online Advanced Pharmacology course for your students today!

Take your students to the next level:

- ➡ Identification of key features in formulating differential diagnoses
 - ➡ Case-specific diagnosis applications
 - ➡ Selecting appropriate laboratory and diagnostic tests
 - ➡ First-line management of common disorders
 - ➡ Pharmacotherapeutic considerations
- ...and more!*

Barkley & Associates is the only NP CE company owned and operated by an NP educator with 26 years of full-time faculty experience who also worked through the university academic ranks from Instructor to full Professor. Obtaining a PhD in Nursing with subspecialties in Nursing Education and Nursing Education Administration, Dr. Barkley is by far the most uniquely qualified educator to design, coordinate, and deliver exceptional NP Continuing Education Courses.

More than 100,000 NPs have used Barkley & Associates to prepare for national certification exam success through courses, textbooks, and DRTs. Since our first course in 2002, attendees of our courses have consistently had a pass rate > 99% on initial NP certification exams.
